

MPAVILION

WHAT'S ON IN DECEMBER

DAILY

MPAVILION

MPavilion 2017 is the fourth in a series of architect-designed temporary pavilions commissioned by the Naomi Milgrom Foundation. Designed by OMA's Rem Koolhaas and David Gianotten, MPavilion 2017 is a new kind of civic space for Melbourne—a place for you to meet, talk, think and experience.

KIOSK

Three Thousand Thieves return to the Queen Victoria Gardens to head-up the MPavilion kiosk once again. Open daily for your Three Thousand Thieves coffee fix, teas, and refreshing beverages.

Open daily 9am–4pm and 4pm onwards for evening events.

TWILIGHT RITUAL

Join us as the sun dips beyond the horizon and we transition into night. For 2017, experience the sound and light spectacle that is Philip Brophy's *Stadium: A Neo-Tokyo Terrasound Cosmophony*.

MORNING STORIES

Start the day at MPavilion this season with pre-recorded daily morning stories from N'arweet (Elder) Carolyn Briggs.

ASSEMBLE PAPERS 'METROPOLIS' ISSUE FOR MPAVILION 2017

Themed 'Metropolis', this issue looks at people, ideas and movements that are shaping the way we live as local and global citizens—from global citizens of architecture OMA, via tiny houses in Los Angeles to deliberative planning in Melbourne.
